Tel: 020 7188 7188

Delivery to Guy's Hospital

- park bikes & cars in the drop-off areas to the right and left of the main entrance near the bicycle park (make sure your vehicle is well placarded as this is what Security expect)
- enter via the main entrance – after 22h00 you will need to report to the main reception
- use the further set of lifts (B) on the left in Tower Wing (to the right of the coffee kiosk) and go to the 4th floor (of these lifts, don't use the first lift on the right as it goes straight to the 10th floor!)
- once on the 4th floor take a right out of the lift lobby then a left into the corridor and follow the signs for Clinical Laboratory Services and then Southwark Wing
- these will direct you left and through a walkway above Atrium 1 in Southwark Wing
- keep going to the end of the corridor where there are blue double doors marked GSTS Pathology
- after 20h00 these doors are usually locked but access can be gained by either:
 - ringing the bell on the wall outside the lab; or
 - using the phone outside the lab on the opposite side of the door to the bell
 - dial 84785 or 81168; or
 - bleep the out of hours staff - dial 737 and then enter bleep 2200 and extension is 84792
- follow the same procedure if the doors are open and you cannot locate a member of staff
- leave through the blue double doors using the green release button on the right hand side
- return to the car park by following signs for the Tower Wing and take the lifts to the ground floor and exit through the main entrance
