

# St Peter's - Chertsey

With blood products head for the Main Outpatients Car Park and go to the covered disabled parking area on the left soon after you enter the car park

from the main road follow signs to St Peter's – and then head for the Outpatients Car Park

turn right at the first mini-roundabout

**do NOT** follow the emergency route to **A&E**

- at the next roundabout fork right to the Outpatients Car Park
- collect a ticket at the barrier
- no payment for is necessary for the first 20 mins

- once in the car park follow the sign into the covered disabled parking area

here and in the car park is plenty of space to leave your vehicle – remember to make sure it is placarded

at the back of the disabled parking is the entrance you want

to the right of the entrance is a bell push between two of the windows – use this to attract attention and a member of staff will let you in through the blue doors

on your way out these blue doors are opened using a green button on the right

if the bell doesn't raise anyone call the blood bank on 01 932 723 036 / 038 / 044 failing that call the exchange on 01 932 872 000; ask them to bleep 5070 – the blood bank

on the right, immediately inside the entrance is the door for delivering blood products
